

## IN THE MAUI COUNTY SCHOOLS

### Wailuku School Notes

#### Some Good Work

In the examination in literature and composition in the 8th grade, the pupils were to answer five out of six questions and to write a composition on one of the following subjects:

Why I am Proud I am an American.  
How I Would Improve Our School.  
My Island.

The Flag.

Why I Want a Higher Education.

Some of the work on the subjects mentioned is considered highly creditable. Following are extracts from some of the papers:

#### The Flag

"The Flag stands for the country and we are willing to give our lives for it, if it is necessary."—Akichi Mahe.

"During school days we salute the flag every morning by saying: 'I pledge allegiance to the flag, and to my country for which it stands; one country, one language, one flag.'—Yin Nyuk Ching.

"Our Flag represents the United States of America; it is honored by the world because of its greatness and the strength that made the Huns surrender during the European War. 'We are proud of being under this flag, the emblem of justice, peace and humanity.'—Mitsu Kido.

#### Why I Want a Higher Education

"It will help me lead a happier life. 'Some people do not think of the future but think of the present only. I think it is best to look ahead always.'—Edward Lewis.

"I want a higher education because it is the foundation of my life. 'Work or position I will have in a year or two come.'—Eva Young.

"A higher education will teach us to know and to speak our language fluently at home, at a meeting, or when giving a public speech."—Guy Goodness.

"I want a higher education because I want to do big things.

"Henry succeeded in getting the best job because he had a High school education for his foundation. It was solid and strong and he could depend on it."—Eva Young.

"I want a higher education because it will help me meet the difficulties of the world.

"I want and must have a higher education because I some day will want to hold a position worth the having and the holding."—Agnes Delbert.

"When I become a good educator I will try to help all that I can the children who are notable to go on further in schools. Help them to educate themselves."—Hattie Moikeha.

Mrs. Weight was not at school on Tuesday. She was ill. Miss Grace Crockett substituted for her.—Sarah Allen, Grade IV.

On Saturday evening there was a swimming race meet at the Puunene tank.

I swam for the Gymnasium team.

I swam in the 75-foot dash against one of the Maui High School boys. I won the race.—Hideo Kido, Grade IV.

### Army Will Show How To Feed 6000 People An Hour

HONOLULU, June 22.—To feed 6000 people in an hour will be the task of the expert bakers and cooks of the Hawaiian Department at the big Military Tournament at Kapiolani Park, Honolulu, on July 5. This stunt, in itself, should be well worth going some distance to see. The tournament is to be a 3-day affair, beginning Saturday morning, July 3 and continuing to Monday night, July 5.

As a matter of fact the army cooks probably will be called upon to feed a great many more than the 6000 specified, but they are equipped to serve "chow" at the rate of one hungry person every two seconds. Of course one of the features of the feed will be the famous army bean, without which no army meal would be complete.

Prospective visitors to the military tournament are advised that it will not be necessary to bring mess kits, as the food will be served on paper plates, with paper cups for coffee and tin spoons. This means there will be other comestibles than beans, such as "slum," or stew, good bread and beef, with perhaps even dessert such as pie and ice cream.

Major Frank Morrell, commanding officer of the cooks' and bakers' school, promises that all rolling kitchens of the department will be lined up in the park to cook a typical army dinner. His assistants are Sergeants Oaks and Thielon. He is training his

He stated that, regardless of administration, he will favor the reappointment of Governor McCarthy.
